# THE ORDINARY JUBILEE YEAR 2025 / EL AÑO JUBILAR ORDINARIO 2025

## LOGO OF THE JUBILEE YEAR 2025 / LOGOTIPO DEL JUBILEO 2025

### Author of the Jubilee 2025 logo

To choose the logo, an international competition was announced, with 294 participants from 48 different countries. The competition was not only aimed at graphic designers but at anyone who wanted to contribute by presenting their proposal. There were also many hand-drawn designs by children, and the age range of the participants ranged from 6 to 83 years. In the end, the three projects that reached the final selection were submitted to Pope Francis, for him to choose the one he deemed most suitable.

The winner was Giacomo Trevisani, a young graphic designer from Puglia, who explained his graphic choice and the study behind the creation of the logo with these words: "I imagined people of every colour moving from every part of the earth towards a common future, and towards a Cross that is Jesus himself. I imagined the Pope leading humanity through a Cross that becomes an anchor, and us clinging to him, symbolizing pilgrims of all time."

An appropriate standard is to guide Christians from all over the world and humanity as a whole through this year of jubilant events and global initiatives, to try to make our world a better place for future generations, enlightened by hope and reassured by the love and promise of God.

### Autor del logo del Jubileo 2025

Para elegir el logo se convocó un concurso internacional al que participaron 294 personas de 48 países diferentes. El concurso no estaba dirigido solo a diseñadores gráficos, sino a todos aquellos que quisieran contribuir presentando su propuesta. También hubo muchos diseños hechos a mano por niños y el rango de edad de los participantes iba de los 6 a los 83 años. Al final, los tres proyectos que llegaron a la selección final fueron presentados al Papa Francisco para que eligiera el que considerara más adecuado.

El ganador fue Giacomo Trevisani, un joven diseñador gráfico de Apulia, que explicó su elección gráfica y el estudio que ha llevado a la creación del logo con estas palabras: "Imaginé a personas de todos los colores moviéndose desde todas las partes de la tierra hacia un futuro común y hacia una Cruz que es Jesús mismo. Imaginé al Papa guiando a la humanidad a través de una Cruz que se convierte en ancla y a nosotros aferrados a él, simbolizando a los peregrinos de todos los tiempos".

Un criterio apropiado es guiar a los cristianos de todo el mundo y a la humanidad entera a través de este año de acontecimientos jubilosos e iniciativas globales, para tratar de hacer de nuestro mundo un lugar mejor para las generaciones futuras, iluminado por la esperanza y tranquilizado por el amor y la promesa de Dios.
