RIGHTWAY IMAGING

This includes 10 screenings. Good health and wellness require preventive action, and if necessary, professional medical treatment. Rightway Imaging offers affordable, convenient, and technologically advanced health screening service designed to uncover areas of concern, even for participants with little to NO symptoms. Vascular and Abdominal ultrasound services may detect health concerns "before" they become health problems. These are tests that focus on 8 areas of the body taking images inside the main arteries and organs checking for mild to severe abnormalities that could go unnoticed by regular routine checkups. Our goal is to always deliver the VERY BEST screening services at the LOWEST possible price.

APRIL 15 and 16, 2023 Rightway crew will be out here to give a brief announcement after each Mass.

La buena salud y el bienestar requieren una acción preventiva y, si es necesario, un tratamiento médico profesional. Rightway Imaging ofrece un servicio de detección de salud asequible, conveniente y tecnológicamente avanzado diseñado para descubrir áreas de preocupación, incluso para participantes con pocos o NINGÚN síntoma. Los servicios de ultrasonido vascular y abdominal pueden detectar problemas de salud "antes" de que se conviertan en problemas de salud. Estas son pruebas que se enfocan en 8 áreas del cuerpo tomando imágenes dentro de las arterias y órganos principales para detectar anomalías leves a graves que podrían pasar desapercibidas para los chequeos de rutina regulares. Nuestro objetivo es ofrecer siempre los MEJORES servicios de detección al precio MÁS BAJO posible.

15 y 16 de Abril de 2023 El equipo de Rightway estará aquí para dar un breve anuncio después de cada misa.
